No.ADM/DM/COVID-19/355/2020/2741

Date 15/07/2020, 1800 hours

**PRESS RELEASE**

**As on date there are 69 active COVID-19 positive cases in Dadra and Nagar Haveli. There is 1 (One) mortality due to COVID-19 in DNH on 15/07/2020.**

The deceased was aged 49 Years female resident of Bavisafaliya, Silvassa. She was admitted at Shri Vinoba Bhave Civil Hospital on 10/7/2020 with complain of breathlessness and raised blood pressure. The patient tested Covid positive on 12/07/2020.

The patient was admitted in Intensive Care and immediate treatment was started as per the protocol with medicine/injections. All necessary blood investigation, HRCT & X-ray was conducted. She had developed acute kidney failure and was known case of Diabetes Mellitus & Hypertension.

On 14.7.2020 the condition of the patient deteriorated and Blood Oxygen Levels dropped and hence she was put on ventilator support. All protocol for management were undertaken, still the general condition of patient deteriorated. On 14.7.2020 at 11.45 pm, the patient become very serious and Cardio Pulmonary Resuscitation was started along with lifesaving drugs. But around 1.00 am (15.7.2020) the patient expired and could not be revived even after CPR.

Citizens are advised to immediately report to the Shri Vinoba Bhave Civil Hospital, Flu Corner or nearest Primary Health Centre in case they have any symptoms of influenza like illness, including cough, cold and fever. People are urged to wear face mask at all times and practice washing hands with soap or sanitizers frequently. No public gather or community or religious gathering should be done. Public are advised to avoid unnecessary travel and stay indoors.
